September is here and the cooler weather should not be far behind!

I attended an officer training in Charleston. Just some of things that were covered:

1) We have a new insurance field agent in our area now Richard Moore, FICF
 Phone number: (405)-641-9582
 Email address: Richrd.Moore@KOFc.ORG
 If you have any questions about life insurance be sure to call Rick. He will help you as much as possible.

2) The Silver Rose will be coming through our area again. District 9 should be getting it on October 16th. We will get more information on that as soon as possible.

3) The Family Icon will be coming to our area November 17th - December 16th. Every area church will have this icon at some time during their masses.

During this time of unrest in our country with the police shootings, take some time to say a prayer for the protection of our law enforcement men and women. Here in our own council we have 3 members that I know of that are law enforcement officers: Sebastian County Sheriff Bill Hollenbeck, Deputy Austin Erwin with the Sebastian County Sheriff's Department, and Officer Dan Casper with the Fort Smith Police Department. These men that are brother Knights put their lives on the line for us every day. So, please say a prayer for them to return safely to their families.

I want to say thank you to Jonathan Kerr for cooking the steaks for us at

our Steak night. He did a good job. He is the grandson of Marvin and Jean Copenhaver and the son of Kenny and Beth Kerr. Thanks goes out to Jayne Spahn for tending bar for us. Also to Art Rideout, thanks goes to him for taking time off work to get all of the food.

At the end of September is the St. Boniface Lawn Social, Sept. 30th-Oct.1st. We have been asked to cook funnel cakes for them again. They always look forward to the Knights coming out to help. Thanks to everyone who helped at Sacred Heart of Mary church carnival.

There is a second and third degree October 16th at Columbus Hall. If you have not achieved these degrees yet, here is the perfect opportunity to do so.

Many thanks go out to Mike Heathcott for the New Chest freezer in the kitchen. The old one was worn out after years of use!!
